EXPERIENCE

Art Revo
Senior Web Engineer & CMS Specialist
Nov 2025 — Present — *Remote • United Arab Emirates*

- Develop and maintain WordPress websites with Elementor, WooCommerce, custom CSS/JavaScript, and custom functionality.
- Work on Next.js, headless CMS, SEO, Core Web Vitals, performance, and responsive UI.
- Manage hosting, cPanel/WHM, FTP, DNS, Cloudflare, deployments, and production troubleshooting.
- Build GoHighLevel landing pages with CRM, forms, tracking, and API integrations.
- Handle WordPress security incidents, malware recovery, and database/filesystem cleanup.

Softcrust Digital Experts (SMC-PVT) Ltd
Junior Web Developer
Sep 2024 — Jan 2025 — *Islamabad, Pakistan*

- Developed WordPress and Laravel/PHP websites using MySQL, HTML, CSS, JavaScript, SEO, and responsive UI.
- Implemented Laravel booking systems with PayPal for client projects.

Atlantis Tech
Internship Trainee — Frontend & Laravel
Mar 2024 — Sep 2024 — *Islamabad, Pakistan*

- Built responsive interfaces and Laravel applications with authentication, CRUD, dynamic content, and database integration.

PROJECTS

Art Revo — WordPress Security Recovery — WordPress, PHP, MySQL, cPanel, Cloudflare

Recovered a compromised WordPress environment through malware investigation, database cleanup, backdoor removal, core replacement, and server remediation.

Art Revo — Next.js & Headless CMS — Next.js, React, TypeScript, Tailwind CSS

Worked on Next.js migration with dynamic Services, Blogs, and Artworks content through a headless CMS/admin workflow.

True Survivor — WooCommerce — WordPress, WooCommerce, ACF, Gutenberg

Developing a custom WooCommerce platform with dynamic products, ACF content, theme customization, and deployment preparation.
